BOUTIQUE CHALETS & APARTMENTS

STAY IN OUR EXQUISITE CHALET AND APARTMENT RENTALS IN VERBIER & LE CHÂBLE, SWITZERLAND. ENJOY SUBLIME ALPINE SCENERY, EXHILARATING SKIING AND HOLIDAYS TO TREASURE.

La Ruinette is an historic stone building in the heart of Le Châble, near Verbier. Originally a watchmaker's shop, in 2011 it was converted into boutique apartments and a superb restaurant.

We offer 9 boutique apartments & 3 chalets in and around Le Châble & Verbier. Sizes range from 2 person apartments to large chalets sleeping 6. Some can be joined to sleep groups of up to 10.

Our distinctive and inviting apartments & chalets blend comfortable and contemporary modern living with traditional Swiss style. Warm, inviting interiors and log-burning stoves coupled with sublime mountain views make a winning combination that will keep you coming back in all seasons.

Our apartments and chalets have been carefully hand-picked for their location. They are quiet and secluded whilst only being a few minutes' walk from restaurants, bars and cable-car that gives access to the whole Verbier & Bruson ski area.

Although our accommodation is some of the most luxurious in the area, our pricing is extremely competitive and gives in each apartment and chalet the opportunity for self-catering.

La Ruinette is a business run by a family whose heart and soul belong in the mountains. We have endless love for where we live and want to share the never-ending beauty with you. Relax, hide-away, enjoy.

The mountains of the Swiss Alps around Verbier exhibit one of the most awesome displays of natural scenery in Europe. Simply admiring this breathtaking spectacle from the comfort of a cosy chalet is the perfect.

The skiing around Verbier is phenomenal. The largest ski area in Switzerland, the 4 Valleys boasts extensive skiing on and off-piste. Its vast terrain provides near endless skiing for everyone from beginners to off-piste dare-devils!

The area is exceptional, not only for its skiing, hiking, climbing, biking, walking, paragliding and scenery, but also for the number of superb restaurants and bars. All of our accommodation is very close to some of the best eateries in The Alps and a wide range of tastes and budgets are catered for.

We'd love to help tailor the perfect mountain holiday for you. Please do get in touch - we're happy to make recommendations and help organise activities as well as find a chalet that's just right for you.
